My dear Sam.

I telegd you this mg acknowledging receipt of yr teleg. of 3rd saying that Judge Goodwin will be away until 1st of August &c.

I also advised you that letters and $2000. were enroute - the check having been mailed on 3rd - other receipts &c. that 40,000 shares had been delivered with Judge Goodwin to be taken at 10cts.

I regret that Stanford cannot join you, but perhaps he will come along in good time — after having tried the lease - and if this should be so he would be the better satisfied. I think that Deny would be better off with you than engaged as I understood him to be.

I am anxious to settle that Yaharibo matter before I leave here and we have so tied them up in their movements under the law for the condemnation of the property they want, that they are offering to settle on better terms and I think we shall come to an agreement. Mama and I are mainly influenced to this by the prospect of my being kept here and otherwise
